REF: CIPDH Internship confirmation.
DATE: 01.05.2026

This letter serves as formal confirmation that Amin Bairamov successfully completed a long-term internship at the international French organization "Comité International pour la Protection des Droits de l'Homme" (International Human Rights Defense Committee) within our IT Department.

Internship Period: February 21, 2024 – February 21, 2026
Role: Python Developer / Backend Developer Intern

During his two-year tenure, Amin demonstrated exceptional technical proficiency and a high level of professional discipline. His responsibilities and key contributions included:

- Backend Development: Designing and maintaining robust server-side logic using Python.
- Database Management: Architecting and optimizing databases to ensure data integrity and performance.
- Mobile Development: Contributing to the development of cross-platform mobile applications using the Kivy framework.
- Integration & Deployment: Successfully integrating third-party APIs and advertising services, managing version control via Git, and assisting in the deployment of active projects.

Amin distinguished himself as an analytical thinker and a fast learner. He proved capable of handling complex tasks independently while maintaining seamless communication within a multicultural team environment. His commitment to high-quality code and his proactive approach to problem-solving were instrumental to our department's objectives.

We highly recommend Amin Bairamov as a competent and driven specialist. We are confident that his technical skills and professional work ethic will make him a valuable asset to any organization he joins.

For any further inquiries or verification, please do not hesitate to contact the IT Department or our Human Resources office.

Sincerely,
CIPDH Vice-President
